

Cooper launches the Grand Prix!

John Cooper is pleased to announce the launch of the Grand Prix Mini Cooper.

John Cooper Garages are producing a very special limited edition of only 35 Mini Coopers called the "Grand Prix". This is to celebrate the 35th anniversary of the Mini and the anniversary of Cooper Racing Cars winning the Formula one Grand Prix World Championship. The cars will be individually numbered on an original enamelled metal plaque fixed to the interior. All will be registered from new in John Cooper's name and then after hours of careful work will be available for you to purchase.

The Grand Prix will feature many modifications to the engine, suspension, interior, and exterior. With a high investment in engine technology an all new fuel injection management system has been developed and with comprehensive engine uprating, power is increased to an impressive 86 BHP. Changes to the suspension further improve the Grand Prix's great handling characteristics.

The interior abounds in soft beige leather with walnut dash and trim and highly original Cooper alloy fittings throughout. External features include new alloy wheels with wider tyres and wheel arches. New Grand Prix decals finish it off together with unique Cooper badging front and rear.

This very special Mini Cooper is priced at £13,495, ready to drive away including road tax. For further details, contact the Grand Prix hot line at John Cooper Garages.
